

**Upgrade to smart motorway  
Junctions 3 to 12**

**CLOSURE OF OLD SLADE LANE ACCOMMODATION BRIDGE**

As part of the smart motorway upgrade this bridge will be replaced. In order to carry out the work it will be closed for public use from **14 January 2020**. This is to allow for preparation work that needs to take place before the bridge is demolished over the weekend of 21 to 28 February 2020. During construction, there will be a signed diversion across the motorway for pedestrians and cyclists and users of the Colne Valley Trail. This will be via the Sutton Lane:

-  Pedestrian and Cyclist diversion
-  Existing public footpath
-  Accommodation bridge closed
