

Leafing About at home

**To reduce the spread of coronavirus it is important to stay at home at the moment.
Stay safe – Stay at home**

Can you find some of these leaves in your garden?

(We have added an image of a seed, nut, berry or tree that might help you find the leaf)

***Collect some of the leaves you find home and create an artwork with it.
Share your artwork with us on facebook using the hashtag #explorecolnevalley***

Don't worry if you can't find them all - which ever leaves you find will look fantastic! If you want you can add other natural materials you might find such as seeds, small twigs, and grasses to your artwork too.
