

# NOVEMBER at Denham Country Park

Get some fresh air and explore Denham Country Park while you answer the questions below.

- N** - Nature. What examples of nature can you see at Denham Country Park?
- O** - Oak tree. How many Oak trees can you find in Denham Country Park?
- V** - Voles (water voles are a protected species). Do you know where they might live?
- E** - Emulate which also mean imitate. Can you emulate the movements of a creature? Maybe a heron, worm or fish?
- M** - Misbourne Meadow. How many different plants can you see in the meadow? Look for grasses, trees, shrubs, and flowers.
- B** - Bridges. Find a bridge in the park. What can you see when you are standing on it?
- E** - Enjoy. Have some fun at Denham Country Park's Adventure Zone playground.
- R** - Rivers (Colne, Fray's and Misbourne). Can you find these rivers in Denham Country Park?
