

Things to do in June & July

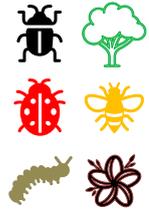

Don't forget to following COVID19 Government Guidance

Here are some things you can do while you explore the Colne Valley Park or your local area

1. Go riverdipping - what creatures did you find?

Fish, freshwater shrimp, leech, snail? Anything

2. Look out for dragonflies and damselflies - How many did you see?

3. Look for wildflowers.

See if you find these flowers - elderflower, dandelion, daisy, buttercup, herb robert

4. Explore the Colne Valley Park. Visit a lake, park, woodland, nature reserve, river or canal.

5. How many different types of leaves can you spot? Can you name any?

You might see them on trees, hedges, or flowers.

6. Draw a tree. Do you know what type of tree it is?

Maybe it is an oak, maple, alder, willow, beech or birch tree. See if you can find out.

7. Do a bit of cloud watching.

How many different shapes did you see? Did you see a dog, flower, face, heart?

8. How many different sounds can you hear? Can you identify any?

Maybe you hear - birds, insects, trees rustling, river flowing, car traffic.

9. Take a walk along the canal.

Watch the canal boats. See how canal locks work. What wildlife did you spot?

10. Write a poem about nature.

11. Try to identify 3 different butterflies.

Can you spot a peacock, red admiral, painted lady, orange tip, blue, marble white or gatekeeper butterfly? Try to draw one of them.

12. Watch birds fly - how do the different birds move through the sky?

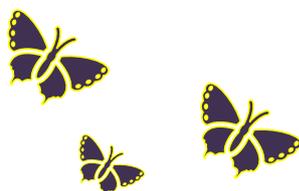

Do they swoop, glide, dive?

13. Go on a walk. How many colours can you see?

Did you see these colours - yellow, pink, red, white, green, purple, orange, blue, brown? What other colours did you see?
