Rain? Doesn't Matter to us!

We run the activities come rain or shine, therefore we ask that the children are suitably dressed. Suitable shelter will also be provided for poor weather, and activities can be adjusted to suit the weather.

In extreme weather we may have to cancel a party for safety reasons. In these cases we aim to reschedule if that is not possible then we will provide a refund.

Beware! We Might Get Messy!

All of our Craft Party Activities take place indoors so weather is not as much of a worry. We do ask that the children wear old clothes or an apron as we will be using paint, clay, pens etc. (we do use washable paint but better safe than sorry).

In extreme weather we may have to cancel a Craft party if its unsafe to open the park. In these cases we aim to reschedule if that is not possible then we will provide a refund.
