PL/23/2182/PRAMD Reeds Bridge SUPPORT

To: planning.comments.csb@buckinghamshire.gov.uk

Dear Sir/Madam

The Colne Valley Regional Park strongly **supports** this application to replace Reeds Bridge. This path forms a vital part of the rights of way network in the Colne Valley Regional Park.

We support the point made in the response from Buckinghamshire Council's strategic access officer that a rights of way diversion should be made to reflect the slight change in the location of the bridge.

Regards, Stewart
